ABOUT

As a Backend Developer with professional experience and expertise in Node.js, Laravel, and AWS Chalice, I possess the skills and knowledge required to build robust and scalable backend solutions for web applications and services. My proficiency in these technologies enables me to handle server-side logic, manage both SQL and NoSQL databases, and perform the API integrations necessary to power modern web applications.

EDUCATION

Bachelor Of Computer Applications, Bharathiyar University — Coimbatore,Tamilnadu 2013 - 2016

Network Engineering, ICS Group of Institutions — Kerala 2016

SKILLS

Technical Skills NodeJS, PHP Laravel, ExpressJS, AdonisJS, Typescript, NestJS, REST API, GraphQL, MongoDB, MySQL, PostgreSQL, Redis, Docker, AWS SQS, AWS EC2, AWS Lambda, Serverless, RDS, AWS Chalice, AWS Bedrock, AWS SES, SNS

EXPERIENCE

Total Experience: 6 Years

Team Lead NodeJS

Webandcrafts

[Wac.co](#)

Oct 2021 - Present
